1. The right to subscribe for new warrants shall, with deviation from the shareholders pre-emption rights, belong to the following persons:

Subscriber	Number of warrants	Total premium
Yuji Teramura	200	81 654
Kristina Nilsson Ek Dahl	200	81 654
Bo Nilsson	200	81 654
Marianne Jensen Waern	200	81 654
Alireza Biglarnia	200	81 654
Peder Waern	100	40 827
Yvonne Kulstad	100	40 827
Mattias Springare	100	40 827
Ingrid Guldbrand	100	40 827
Klara Alexandersson	100	40 827
Vivek Manivel	100	40 827
Felix Sellberg	100	40 827
Claudia Duhrkop	50	20 413,5
Robin Visvanathar	50	20 413,5
Totalt:	1 800	694 059

2. The reason for deviating from the shareholders' preferential rights is that the issue of the warrants to the subscribers is intended to constitute an incentive that is deemed to increase the commitment of persons entitled to subscribe, which the board considers essential for the future business of the Company, taken into account their importance for the Company.

3. Subscription shall be made on a separate subscription list no later than January 30, 2023. The board of directors shall have the right to extend the subscription period.
4. During the period from September 1, 2025 up to and including January 31, 2026 each warrant entitles its holder to subscribe for one (1) B-share in the Company at a subscription price of SEK 3 902,60. When shares are subscribed, the part of the subscription price that exceeds the quota value of the previous shares must be added to the free premium fund.
5. For each warrant shall be paid a premium of SEK 408,27. The premium corresponds to the presumed market value of the warrants established in accordance with the Black & Scholes warrant pricing model
6. Payment for subscribed warrants shall be made in full by cash payment not later than February 7, 2023. The board of directors shall have the right to extend the payment period.
7. If all issued share warrants are used to subscribe for new B-shares, the share capital of the Company will be increased by SEK 7 380 (quota value SEK 4,1).
8. A new B-share that has been issued by virtue of a warrant entitles to dividends for the first time on the first payment date for dividend that take place after the subscription of new B-shares has been registered with the Swedish Companies Registration Office and been recorded in the share register.
9. The managing director, or any other person appointed by the board of directors, shall have the right to take those smaller measures that may be required in order to register the resolution with the Swedish Companies Registration Office.

Item 7 – Resolution on a general authorization for the board of directors

The Board of Directors proposes that the general meeting authorizes the Board of Directors for the period up to the next annual meeting of shareholders to resolve, whether on one or several occasions, to increase the Company's share capital by way of issue of shares, warrants and/or convertible instruments. The board of directors shall be authorized to adopt decisions on an issue of shares, warrants and/or convertible instruments with deviation from the shareholders' pre-emption rights and/or an issue in kind or an issue by way of set-off.

The board of directors shall however not be authorized to adopt decisions that result in an increase of the share capital of the Company of more than twenty (20) percent in relation to the share capital of the Company at the time of this authorization first being utilized.

An issue in accordance with this authorization shall be on market conditions. The board of directors shall be authorized to decide on the terms and conditions regarding issues under this authorization and what persons shall be entitled to subscribe for the shares, warrants and/or convertible instruments. The reason to propose that the board of directors shall be authorized to resolve on an issue with deviation from the shareholders' pre-emption rights and that the board shall be authorized to decide on an issue in kind or an issue by way of set-off is that the Company shall be able to issue shares, warrants and/or convertible instruments in order to raise capital or tie strategically important shareholders to the Company.

The CEO, or the person appointed by the Board, shall have the right to make the minor adjustments that may be required in connection with the registration of the decision with the Swedish Companies Registration Office.

Majority requirements

According to the Swedish Companies Act, decisions according to item 6 (*warrants*) above require for their validity the support of shareholders with at least nine tenths of both the votes cast and the shares represented at the meeting. Decisions according to item 7 above (*authorization*) require for their validity the support of shareholders with at least two-thirds of both the votes cast and the shares represented at the meeting.
